Commissioner of Patents
Washington, DC 20231

Sir:

One of the joint inventors, Robert Laird, refuses to join in the subject application for patent. Robert Laird's last known address is: Robert Laird, 2325 Monte Vista Drive, Pinole, California 94564.

Check No. 1897, including the petition fee under 37 § CFR 1417 (h) of \$130, is forwarded with this Petition.

The Commissioner is hereby authorized to charge underpayment of any additional fees or credit any overpayment associated with this communication to Deposit Account No. 50-0869. A duplicate copy of this authorization is enclosed.

John,

In regards to my signing of the Patent Application Power of Attorney, I must say that I feel strongly compelled not to sign it. After seeing how little regard you've shown for my contributions and commitment to Artemis in the past. As well as your displayed "Fairness" in dealing with my employment there, I feel no moral obligation to assist you or the company in any way. For these reasons, if you must have my signature I will only consider it if I'm compensated.
